

No-Show / Cancellation Policy

Please Read Carefully

We realize that emergencies and other scheduling conflicts arise and are sometimes unavoidable, however, advance notification allows us to fulfill other patient's scheduling needs. Missed appointments are a significant impact to your physical therapy, your therapist, and other patients.

1. Please provide your therapist with 24-hour notice to change or cancel an appointment. Patients who do not attend a scheduled appointment or do not provide 24-hour notice to change a scheduled appointment may be responsible for a \$50.00 office visit charge. This charge cannot be billed to insurance and must be paid on or before the next scheduled appointment.
2. We reserve your one-hour appointment time just for you. We do not double-book our patients so that we may provide optimum treatment outcomes for all our patients. 24-hour notice allows us to place another patient in your cancelled appointment period to received needed treatment.
3. Certain accident claims adjusters expect regular attendance to physical therapy as a requirement of an approved treatment plan. If appointments are missed or cancelled on a regular basis it could affect the status of your claim. Your treatment plan has been established by your medical practitioners to get you back to your regular activities as quickly as possible. Missing appointments hinders that process and may end up prolonging recovery.
4. After missing two appointments without notice, you may be placed on a same day scheduling policy for your treatments, which would not allow you to schedule any appointments in advance.
